

Positive Action Training Costs

Refer to the Positive Action website link for the most up to date information:

<https://www.positiveaction.net/>

PA Training Workshops: The EPISCenter works to connect sites who are interested in hosting training workshops in PA to reduce costs. Please contact the EPISCenter at 814-863-2568 to see if there is an already scheduled training workshop being hosted in PA that would fit your needs.

On-Site Orientation Training: \$3,000 per day plus travel expenses, including Trainer's travel time. The appropriate Classroom Kits and School Climate Kit must also be purchased and received prior to the training. Effective for up to 50 participants.

*Please note that PCCD and the EPISCenter recommends initial Orientation Training to be in-person and on-site. This is the most beneficial way to be trained to successfully implement an evidence-based program.

On-site Training of the Trainers (Agency Trainers): \$3,000 per day plus travel expenses, including Trainer's travel time, and the purchase of the appropriate Kits. Effective for up to 25 participants.

Online Webinar: \$550 for the first two hours. \$150 for each additional topic: High School, Climate Development, Family Classes and Community. In addition to these fees is the purchase of the appropriate Kits as well. Effective for up to 30 participants.

*Keep in mind that costs for Trainer travel time could include airfare, airport parking, rental car, and per diem (hotel/food). This total could be approximately \$1,600, but could vary depending on where the training is located.
