

## Positive Parenting Program (Triple P)

---

### *Training Information*

**Applicants for PCCD's Funding Announcements are required to obtain two letters of acknowledgement for their training needs: one from Triple P and one from the EPISCenter. When possible, EPIS will coordinate statewide training here in Pennsylvania.**

#### **To inquire about Letters of Acknowledgement:**

Triple P: [contact.us@triplep.net](mailto:contact.us@triplep.net) or 803-451-2278

EPISCenter Implementation Specialist: [EPISCenter@psu.edu](mailto:EPISCenter@psu.edu)

#### **There are two options for Practitioners who are seeking training in Triple P:**

1. **Agency-based:** This is when an agency signs a contract with Triple P to host a Triple P Training at their location/site that allows for 20 training participants and 2 auditors. This training can include the site's agency staff as well as people from outside of the agency to fill the training and help reduce costs. Penn State EPIS can assist in filling training spots.
2. **Open-Enrollment:** This is when Triple P hosts a training in or outside of Pennsylvania that sites can register individual practitioners for. Triple P America offers trainings throughout the United States each year and their Open-Enrollment trainings can be found here: <https://www.triplep.net/glo-en/getting-started-with-triple-p/training-for-individuals/open-enrollment-calendar/us/#open-enrollment-columbia> . When possible, Triple P trainings are coordinated and hosted to take place here in PA.
